Cycle for Sight and the Rotary Ride for the Veterans has become one of the premier events in Northern California. Benefiting **The Pathway Home** and **Enchanted Hill Camp** for the blind, Cycle for Sight attracts more than 2,000 participants of all ages from over 11 states each year. Partnerships and generosity from companies like yours play a major role in our continued success. We would be honored if you would join us as a sponsor of this beloved event.

As you may know, the majority of the funds raised go to The Pathway Home, Inc., a local organization providing educational, professional, and clinical support in a residential setting to post-9/11 Veterans transition from military service to civilian success by addressing deployment related challenges and providing education, professional, and mental health support in a residential setting. The program utilizes an innovative, integrated model of care that builds on individual and collective strengths to help residents effectively manage depression, anxiety, Post-Traumatic Stress Disorder (PTSD), and other re-adjustment related issues in order to achieve academic or vocational success and live fulfilling and productive lives.

Our other major beneficiary is the LightHouse’s Enchanted Hills Camp and Retreat on Mt. Veeder in Napa. This treasured camp provides valuable opportunities for leisure and sport in a fun, challenging and accessible way for the blind and their families. Unfortunately, EHC was partially destroyed during the devastating wildfires in October, and they need our help to rebuild now more than ever. The funds we donate will be used to help rebuild, as well as towards a scholarship fund for children, adults, and families to attend this magical summer recreational facility.

Through the combined generosity of our partners and sponsors over the last decade, we have raised in excess of \$1,000,000, allowing us, in the words of Roy T. Bennett, to “Be mindful. Be grateful. Be positive. Be true. Be kind.”

Please find attached this year’s Sponsorship Opportunities for Cycle for Sight. If you are interested in partnering with us to support The Pathway Home and the Enchanted Hills Camp, please confirm your sponsorship by filling out [this form](#). Your speedy response allows us to immediately include you or your business in all promotional materials guaranteeing maximum marketing exposure.

With Gratitude,
